Testing for this product was performed at Resillion (Belgium NV).

**IEC 62680 Compliant Notification:** This Notice of Conformity serves as a validation/confirmation from the USB-IF that the products in question are interoperable to the corresponding IEC 62680 (USB) standards noted below:

- USB Type-C Cable and Connector Specification: IEC 62680-1-3:2022
- USB Power Delivery specification: IEC 62680-1-2:2022
  - Only applies to products that support USB Power Delivery

Note that USB standards are backwards-compatible such that products that are compliant to the newer revisions of the USB standards will still meet the conformity requirements to the IEC 62680 (USB) standards.

The most current information is always posted on the Integrators List at [www.usb.org](http://www.usb.org). Please feel free to contact [admin@usb.org](mailto:admin@usb.org) if you have any questions.

Thank you,
